Abstract

The author guides us expertly through the thickets of referendums (no fewer than fourteen from 1972) in which Swiss citizens have been given the opportunity to pass judgment on the European question. Most importantly, this volume explains why the Swiss still oppose joining the European Union. It examines the thorny questions of identity, reservations on policy matters (preserving neutrality, direct democracy and Swiss style federalism), not to mention doubts regarding the economy. Paradoxically, the closer Switzerland gets to the EU through bilateral agreements, the more distant prospects of joining the EU seem to become. This is the conundrum at the heart of the relationship between the Swiss Confederation and the European Union which is expertly explored in this volume.

  Negotiations for the Bilateral Agreements I .............................. 38
  Overland Transport ............................................................... 39
  “Free Movement of Persons”,
  Which Is, in Fact, Free Establishment ...................................... 42
  Referendum on the Bilateral Agreements I – May 21, 2000 .......... 46
  Referendum on an Extension to 8 Central and Eastern European Countries – September 25, 2005 ............ 48
  Referendum on the Cohesion Fund for CEECs
  – November 26, 2006 .............................................................. 49
CHAPTER 5. The Bilateral Agreements II
Taxation of Savings
Customs Fraud
Schengen/Dublin
The June 5, 2005 Referendum on Schengen
The May 17, 2009 Referendum on Biometric Passports

CHAPTER 6. Pursuing a Bilateral Path
Additional ad hoc Agreements.
A Breakdown of Twenty Pending Issues
Customs Union
A More Encompassing Vision:
Eliminating Border Tax Controls
Towards a Framework Agreement?
EU Attacks on Swiss Cantons’ Tax Privileges
Continuation of the Bilateral Approach

CHAPTER 7. Accession to the EEA
Differences in Terms of Content
Differences in Terms of Structures

CHAPTER 8. Accession to the EU
Consequences of Accession
Such Resounding Opposition Is Unique in Europe
A Constantly Sidestepped Discussion
The Lega Initiative – June 8, 1997
The New Swiss European Movement Initiative – March 4, 2001
A “Pick ‘n’ Choose” Accession

CHAPTER 9. Why Switzerland Refused to Join the European Union
The Question of Identity
Neutrality
